Dear colleagues,

Welcome to the 5<sup>th</sup> international symposium and the 10<sup>th</sup> anniversary of the Israeli Association of Oral Implantology.

The primary rule of the IAOI is to provide an advanced scientific and clinical knowledge to the dental community in Israel.

Our concern to the wellbeing of our patients is the force behind our efforts.

Key note speakers from all over the world joined us to establish our knowledge and celebrate with us.

We hope that we all will enjoy and learn thru this extraordinary event.

With very warm welcome

The scientific and Organizing Committee

Dr. Amnon Mutsafi

Dr. Kassirer Yosef
